Hello,

The Commission has decided to conduct a consultation process specifically with stakeholders who commented on ambient sound level and A2 adjustments during the current Rule 012 revision project.

After considering comments you submitted on ambient sound level and A2 adjustments during the written consultation process and during the technical meeting, the Commission proposes to revise Section 2.6 of Rule 012. A blackline version of the revised Section 2.6 is attached in this email.

If you have comments on the proposed changes to Section 2.6, please email them to Joan Yu at joan.yu@auc.ab.ca by **September 26, 2023**. The Commission requests your comments/edits be focused exclusively on the proposed changes to Section 2.6.

Thank you and best regards.

Joan
