

## Bulletin 2022-09

June 29, 2022

### **Amendments to AUC Rule 027: Specified Penalties for Contravention of Reliability Standards**

On June 20, 2022, the Alberta Utilities Commission approved an amendment to [Rule 027: Specified Penalties for Contravention of Reliability Standards](#), with an effective date of July 1, 2022. The Alberta Electric System Operator introduced one reliability standard CIP-012-AB-1 which has been added to the penalty table and assigned a penalty category of 2.

The AUC has determined that the change to Rule 027 was administrative in nature and does not necessitate a consultative process.

All materials related to Rule 027, including a blackline version of the changes, can be found on the [rule-related consultations](#) section of the AUC's website.

Market participants and interested parties who wish to comment on the changes to Rule 027, may do so before 4 p.m. on July 15, 2022, by contacting Fino Tiberi at [fino.tiberi@auc.ab.ca](mailto:fino.tiberi@auc.ab.ca) or 403-592-4410.
