42.2 mm or 60.3 mm (up to 15 metres)	\$1,340	\$1,749
Linear charge for length over 15 metres	\$79/metre	\$104/metre
Greater than 60 mm	Contract Price	Contract Price
Credit for provision of service line trench in 4-party installation	\$47	\$236

Service Line Notes:

1. Winter and Summer conditions are determined by the ATCO Gas representative on site. Typically, winter conditions are 150mm or more of frozen ground conditions and / or 300mm or more of snow cover. If construction occurs within the winter construction season as determined by ATCO Gas, winter construction rates will apply.
2. The customer will be charged for the Primary Service line from the property line to the Gas Meter location when the main is located outside the customer's property.
3. The customer will be charged for the Primary Service line from the edge of easement to the Gas Meter location when the main is located in an easement within the customer's property.
- 4.

1.2 Mobilization Charge: A mobilization charge of \$236 will be levied for each additional site visit required when a site with an inspector confirmed site ready date does not meet ATCO Gas requirements for service line installations upon arrival of the service installation crew or any other time the Company's entry is considered by the Company's employees, agents, or other representatives as unsafe or is otherwise prevented, hindered or refused.

1.3 Pavement and Concrete Breaks: Contract Price. Applicant responsible for settlement and permanent repair

1.4 Crossings: Including highway, railroad, road, pipeline, canal - Contract Price

1.5 Compaction, Shallow Utility Crossings, and Waste Removal: Contract Price

 - a. Pressure Factor Meters - \$0.227/day on customer’s monthly bill
 - b. Instruments - \$0.621/day on customer’s monthly bill

Notes:

1. All charges are subject to GST except the “Dishonored Cheque” charge.
2. All charges must be paid by the due date provided by ATCO Gas. When accounts are not paid in full on or before the due date (within 15 business days of the statement date), the Company will apply a 1% penalty on the amount due. If the payment is not received by the next monthly billing cycle, a 1% penalty will be applied to the balance carried forward (including prior penalties).
3. The Contract Price charged to customers may be based on actual costs, or it may be based on an agreed upon price. In most cases, the customer will be required to provide written or electronic acceptance of a contract and pay the agreed upon price. Where pre-payment is based on an estimate, the Customer will be required to pay the actual cost upon completion of the work.
