 - (d) If, in the opinion of *Apex*, the giving of notice in accordance with (3)(a) above would impair *Apex's* ability to make a claim against the *Retailer's* security or to deduct the unpaid arrears from the *Retailer's* financial deposit, *Apex* may make the claim or deduct the unpaid arrears without notice.
- (4) *Apex* may, at its sole discretion and in addition to any other remedies available to it, restrict enrolment or terminate *Gas Distribution Service* to the *Retailer*, if such *Retailer* does not pay all outstanding bills in accordance with these *Retailer Distribution Service Rules*.

compensation for *Gas Distribution Services* provided, *Apex* will bill the *Retailer* for *Apex's* estimated *Gas Distribution Service* charges for such unauthorized use. *Apex* reserves the right to bill the *Retailer* for repairs of damage or reconstruction of *Apex's Gas Distribution System*. - (3) *Apex* will accept or reject the *Retailer's* de-enrolment in accordance with *Rule 028*.
- (4) Notwithstanding the *Retailer's* responsibilities to provide updated *Customer Information* pursuant to Article 5 – *Customer Inquiries* and *Customer Information*, **the *Retailer* must update *Customer Information* upon notice of de-enrolment as per *Rule 028*.**
- (5) The *Retailer* will provide *Apex* with updated *Customer Information* pursuant to Article 5.
- (6) The *Retailer* is responsible to ensure the *Customer* is provided notice of the de-enrolment and the consequences of such de-enrolment, including the fact *Apex* will not be held liable for any disputes as between the *Customer* and the *Retailer*.
- (7) Upon receipt of a successful de-enrolment from a *Retailer* in the form and manner set out in *Rule 028*, and if the *Site* is not subsequently enrolled by a replacement *Retailer* within the period set out in *Rule 028*, the *Site* will be enrolled for default supply *Gas Service*.

- (8) The *Retailer* will remain responsible for *Gas Services* to the *Site* until a replacement *Retailer* is enrolled for the *Site*, a de-enrolment from the current *Retailer* processed, default supply *Gas Service* is in place for the *Site*, or the *Site* is permanently disconnected, whichever is earlier.
- (9) The *Retailer* may revoke a notification to de-enrol a *Site* as set out in *Rule 028*.

ARTICLE 10 - SERVICE DISCONNECTS AND RECONNECT

This Article, as amended from time to time, specifies the processes for the transactions between *Apex* and the *Retailer* in relation to the physical disconnect of a *Site*.

10.1 Disconnection of Service

- (1) Disconnection by *Apex*
- (a) *Apex* reserves the right to temporarily or permanently disconnect the *Customer* from the *Gas Distribution System* in a number of circumstances, including, but not limited to, evidence of safety violations, energy theft or fraud by the *Customer*, threats or harassment made against employees or agents of *Apex*, failure to provide access to the *service site* for meter readings or other necessary work or any other failure by the *Customer* to meet its obligations under the *Natural Gas Utility Service Rules* or *Retailer Distribution Service Rules*.
 - (b) If the disconnect is a result of a safety violation, *Apex* will reconnect the service only after the safety problem is resolved and the *Customer* has provided or paid *Apex's* costs of providing such devices or equipment as may be necessary to resolve such safety problem and to prevent such

damage, interference, or disturbance. *Apex* may assess a Reconnection Fee as set forth in the *Special Charges Schedule*.

- (2) Disconnection at Request of the *Retailer*
 - (a) In accordance with the *R3 Regulation*, the *Retailer* will have the right to request *Apex* disconnect *Gas Distribution Service* to a *Site* where the *Retailer* is the *Retailer of Record*. *Apex* will process such requests in accordance with *Rule 028*.
 - (b) The *Retailer* will remain responsible for all *Gas Services* to the *Site* until *Apex* has completed the disconnection.
 - (c) *Apex* reserves the right to assess charges to the *Retailer* to disconnect *Gas Distribution Service* or attempt to disconnect service to the *Customer* at actual cost, including, but not limited to, direct labour, materials, services and equipment, plus applicable overheads.
 - (d) *Apex* will notify the *Retailer* if a disconnect request was not successfully completed and include the reason why it was not successfully completed. If the *Retailer* still requires the *Customer* to be disconnected, the *Retailer* must re-issue a disconnect request.
 - (e) *Apex* will not be liable to any person for any damages, cost, expense, injury, loss, or other liability of any kind, whatsoever or however caused, resulting directly or indirectly from its good faith performance of its responsibilities under the provisions of this Article.
- (3) Disconnects Affecting Lines and Equipment
 - a) If the purpose of a disconnection can be reasonably expected to affect the *Gas Distribution System*, the *Customer* is expected to notify *Apex* of the *Customer's* plans prior to the disconnection. The *Retailer* will provide the *Customer* with the *Apex General Inquiry Phone Number*. Such purposes include, but are not limited to, relocation of *lines and equipment*, *service site* renovations, *service site* demolition and permanent stoppage in the use of *Gas*.

10.2 Reconnect Service

Before reconnecting or restoring service to a *Site*:

- a) Reconnection of service to a *Site* that is de-energized or disconnected requires an energize request from a *Retailer*.
- b) The *Retailer* or *Customer* must comply with *Apex's* Natural Gas Utility Service Rules and these Retailer Distribution Service Rules.
- c) *Apex* reserves the right to assess, in accordance with these *Retailer Distribution Service Rules* and the *Natural Gas Utility Service Rules*, a Reconnection Fee and

any other applicable charges set forth in the *Special Charges Schedule*.

ARTICLE 11 - PRUDENTIAL REQUIREMENTS

In circumstances where the *Retailer* has multiple *Retailer Identification* numbers, the review, setting and maintaining of prudential requirements will be based on the *Retailer* Business Function Identification code as defined in *Rule 028*.

11.1 Setting of Prudential Requirements

The *Retailer* must fulfill the requirements set forth in this Article to the satisfaction of *Apex* before *Apex* will provide *Gas Distribution Service* to the *Retailer*.

- (1) Subject to review and reassessment of the prudential requirements of the *Retailer* by *Apex*, from time to time, the *Retailer* is required to meet and maintain such financial and other prudential requirements as set out in the *Natural Gas Billing Regulation, A.R. 185/2003*, to ensure the *Retailer* is, and remains, of sufficient financial standing to meet its ongoing financial obligations.
- (2) *Apex* will confirm the credit rating of the *Retailer*, affiliate or person guaranteeing the financial obligation of the *Retailer*. The credit rating will mean the bond rating according to Standard and Poor's Bond Rating Service or an equivalent bond rating from Dominion Bond Rating Service or Moody's Investors Service.

The minimum credit rating qualifying a *Retailer* for a reduction in security or allowing a person to provide an irrevocable guarantee of the *Retailer's* financial obligation is BBB-, as set out in section 6(3) of the *Natural Gas Billing Regulation A.R. 185/2003*, as amended from time to time.

If the *Retailer* has obtained more than one credit rating, the lowest credit rating will be used in the assessment.

- (3) Subject to review and reassessment, *Apex* will determine the amount of the security reduction available for each *Retailer*, and the maximum amount of any guarantee required from the person guaranteeing the financial obligations of the *Retailer*, subject to sections 5, 6 and 7 of the *Natural Gas Billing Regulation, A.R. 185/2003*, as amended from time to time. *Apex* will notify the *Retailer* of its security requirement within 20 (twenty) *Business Days* from the receipt of the *Retailer's* complete application for service.
- (4) For purposes of calculating the amount of the *Retailer's* security deposit pursuant to section 5(2) of the *Natural Gas Billing Regulation, A.R. 185/2003*, the *Retailer* must project its payments under *Apex's Rate Schedule* over a period equal to the lesser of (A) 45 days, or (B) the total of (i) 20 days, plus (ii) the number of days between consecutive bills issued by *Apex* to the *Retailer*, plus (iii) the number of days from the issuance of a bill by *Apex* until payment is due from the *Retailer*.
- (5) For the purposes of calculating the amount of the *Retailer's* security deposit required, the *Retailer* will add an additional 20 days of projected payments (the

Load Balancing Security) under *Apex's Rate Schedule* to the amount of security deposit required under the *Natural Gas Billing Regulation A.R. 185/2003*, as amended from time to time as identified in part (4) above, which will serve as separate security in respect of any *Imbalance Sales Apex* may be required to charge the *Retailer* in order to balance *Retailer's Account*.

- (6) For the purposes of calculating the amount of the *Retailer's* annual prudential required, the *Retailer* will add any additional projected payments *Apex* is required to remit on behalf of the *Retailer's customers* related to any carbon-related tax, fee, or levy enacted by a governmental authority, which shall serve as security in respect of any additional payments that *Apex* is required to remit to any governmental authority on behalf of the *Retailer's customers*.
- (7) Subject to section 6 of the *Natural Gas Billing Regulation, A.R., 185/2003*, as amended from time to time, the *Retailer* will provide security in the manner set out in the *Retailer Handbook*, in the form of a financial deposit, a bond, an irrevocable letter of credit from a financial institution acceptable to *Apex*, or an irrevocable guarantee. An irrevocable guarantee may only be provided from a person(s) acceptable to *Apex*, other than the *Retailer*, with a qualifying credit rating.

11.2 Maintaining Prudential Requirements

- (1) If the *Retailer's* actual outstanding charges under *Apex's Rate Schedule* are materially greater than the value projected by the *Retailer* under Article 11.1 of these *Retailer Distribution Service Rules*, *Apex* will update the projection and, if additional security is required based on the updated projection, require the *Retailer* to provide additional security within five (5) *Business Days* of *Apex's* request.
- (2) *Apex* requires *Retailers* to report any downgrading of their corporate bond rating to *Apex* within two (2) *Business Days* of said rating revisions, and must provide any additional security required as a result of the downgrading within five (5) *Business Days* of the downgrading.
- (3) A *Retailer* may also advise *Apex* of any upgrading of its credit rating. If the amount of security required from the *Retailer* is reduced as a result of the upgraded credit rating, *Apex* will return any financial deposit no longer required within 20 *Business Days* of being advised by the *Retailer* of the upgraded credit rating.
- (4) Subject to Article 7 of these *Retailer Distribution Service Rules*, if the *Retailer* fails to pay any amount billed, the *Retailer* grants to *Apex* a right of setoff for any amounts payable. *Apex* will apply all or any portion of the *Retailer's* security deposit to the unpaid amount. The *Retailer* will then be required to replenish the security deposit within five (5) *Business Days*.
- (5) Subject to Articles 7 and 11 of these *Retailer Distribution Service Rules*, if the *Retailer* fails to pay any amount billed or fails to present additional security as outlined herein, *Apex* reserves the right to suspend the provision of additional *Gas Distribution Service* to the *Retailer* or discontinue *Gas Distribution Service* entirely to the *Retailer*. *Apex* will provide the *Retailer* notice of discontinuance three (3) *Business Days* before *Apex* discontinues *Gas Distribution Service* to the *Retailer*.

Upon discontinuance of *Gas Distribution Service* to the *Retailer* pursuant to this Article, *Apex* will assume the provision of the affected service *Apex* is reasonably capable of providing.

- (6) A *Retailer* required to provide security in accordance with the *Natural Gas Billing Regulation, A.R. 185/2003* and these *Retailer Distribution Service Rules* must maintain that amount of security until all obligations of the *Retailer* under *Apex's Gas Distribution Tariff* are satisfied. A *Retailer* providing security, other than by means of a cash deposit held by *Apex*, must either ensure its security has no expiry date and cannot be terminated or must, at all times, ensure its security is automatically extended from year to year for successive periods of a minimum of one year from any expiration date thereof, unless *Apex* is notified in writing by prepaid registered mail not less than thirty (30) Days prior to any expiration date, the security will not be renewed for any such additional period (*Notice of Non-Renewal*). A *Retailer* who provides security other than a cash deposit, must ensure that its security is executable from an intermediary bank branch or office with a drawing location in Leduc or Edmonton, Alberta.
- (7) Upon receipt of a *Notice of Non-Renewal* or in the event of a *Letter of Credit Default*, *Apex* will notify the *Retailer in writing*, advising the *Retailer* that failure to provide *Apex* with alternate security meeting the requirements set out in the *Natural Gas Billing Regulation, A.R. 185/2003* within three (3) *Business Days* after the date of the notice will constitute a breach of the *Retailer's* obligation to maintain its security in accordance with section 8 of the *Natural Gas Billing Regulation, A.R. 185/2003* and an event of default under Article 14 of these *Retailer Distribution Service Rules*. If, after three (3) *Business Days*, *Apex* is not in receipt of such alternate security, the full amount of the *Retailer's* security determined in accordance with Article 11 of these *Retailer Distribution Service Rules* will become due and payable to *Apex* and *Apex* will be entitled to make demand or claim against the *Retailer's* security in accordance with Article 14.3.
- (8) In the event of a default by the *Retailer*, *Apex* is entitled to recover, as part of the *Gas Distribution Tariff*, any costs not covered by a claim against the *Retailer's* security under section 9 of the *Natural Gas Billing Regulation A.R. 185/2003*, as amended from time to time.

11.3 Confidentiality

All information provided by the *Retailer* in relation to its financial standing and designated by the *Retailer* as confidential will be treated as such under the Confidentiality Agreement between the *Retailer* and *Apex*. The terms and conditions of the Confidentiality Agreement are set out in the *Retailer Handbook*.

Notwithstanding the preceding paragraph, pursuant to section 10(3) of the *Code of Conduct Regulation*, a receiving party may disclose confidential information to any governmental, judicial, or regulatory authority requiring such confidential information in the reasonable exercise of its duties.

11.4 Costs

All costs associated with obtaining financial security and meeting prudential requirements under this Article are the responsibility of the *Retailer*.

11.5 Interest on Security Deposits

Interest on each *Retailer's* cash security deposit held by *Apex* will be calculated at the rate specified, from time to time, in the *Residential Tenancies Act, S.A. 2004, c.R-17.1*. Interest will be credited to the *Retailer* annually.

ARTICLE 12 - MEASUREMENT

12.1 Provision and Ownership

The meters used by *Apex* to assess the level of *Gas Distribution Service* charges to the *Retailer* will be the same meters used to provide the *Customer Billing Information* to the *Retailer*. *Apex* will provide and install all meters for each *Point of Delivery* and each meter will remain the property of *Apex*.

12.2 Meter Reading

- (1) Billing will be based on actual or estimated usage. *Apex* reserves the right to assess a Special Meter Reading charge for non-routine reads, as set out in the *Special Charges Schedule*.
- (2) *Apex* will read the meter monthly or as often as reasonably necessary.
- (3) *Apex* will keep an accurate record of all meter readings for the purpose of billing the *Gas Distribution Services* provided.
- (4) *Apex* may elect to change the meter reading schedule for a site, providing advance notice to the *Retailer* as defined by *Rule 004*.
- (5) *Apex* is not required to accept *Customer* meter readings. Where *Customer* meter readings are provided, *Apex* reserves the right to decline the use of the *Customer* meter reading based on specific criteria.

12.3 Changes to Metering Equipment

Notwithstanding Article 3.7, should a *Retailer* request, or consent to, a *Customer* request for new metering equipment beyond the basic service, *Apex* will provide, install, test and maintain the required metering equipment. The metering equipment must be requested or consented to in writing by the *Customer* and meet *Apex's* requirements. The *Customer* will bear the cost of providing and installing the metering equipment and ongoing operating costs as set forth in the *Special Charges Schedule*.

12.4 Statutory Standards Apply

All measurements, calculations and procedures used in determining the quantities of *Gas* delivered at the *Point of Receipt* or at the *Point of Delivery* must be in accordance with the *Electricity and Gas Inspection Act R.S. 1985 c.E-4*, as amended, and all applicable regulations issued pursuant thereto.

12.5 Measuring Equipment

All measuring equipment, devices and materials required to measure the *Gas* at the *Point of Receipt* or at the *Point of Delivery* must be installed, maintained and operated by *Apex*, its agents or third parties acceptable to *Apex* and must be of standard manufacture and type approved by Industry Canada. The *Customer* may install and operate check measuring equipment provided it does not interfere with the operation of *Apex's* equipment or system.

12.6 Testing Measuring Equipment

The accuracy of the measuring equipment must be verified by standard tests and methods acceptable to *Apex* or upon the reasonable request of the *Retailer* or the *Customer*. Tests of such measuring equipment will be made at *Apex's* expense, however the *Retailer* or the *Customer* will bear the expense of tests made at their request if the inaccuracy is found to be within the limits of error allowed in the *Electricity and Gas Inspection Act, R.S.C., 1985, c.E-4*.

12.7 Facilities Interference

In the event the *Customer's* or the *Retailer's* facilities interfere with *Apex's* ability to provide accurate measurement at the *Point of Receipt* or the *Point of Delivery*, *Apex* may, immediately and without prior notice, cease to receive further deliveries of *Gas* at the *Point of Receipt* pending the remedying by the *Customer* or the *Retailer* of the cause of such interference to the satisfaction of *Apex*.

12.8 Use of TC Energy Measurements

Notwithstanding anything contained elsewhere in the *Retailer Distribution Service Contract*, *Apex* and the *Retailer* agree, at a *Point of Delivery* or at a *Point of Receipt*, being a *TC Energy/Apex* system interconnection, where *TC Energy's* measuring equipment (rather than *Apex* measuring equipment) is used or relied upon by *Apex* for measuring *Gas* delivered under the *Retailer Distribution Service Contract*, *TC Energy's* measurement and testing of *Gas* procedures will apply.

12.9 Forecast Quantities

The *Retailer* agrees to provide to *Apex*, for planning purposes, such forecasts of future quantities to be delivered under the *Retailer Distribution Service Contract* or the *Demand General Service Contract*, as *Apex* may request from time to time.

ARTICLE 13 - ACCOUNT BALANCING

13.1 Retailer's Account

- (1) The *Retailer's Account* will be accumulated and recorded by *Apex* each *Day* and, without limitation, will include such items as *Gas* supply *Nominations*, *Retailer Load*, *Imbalance* quantity, opening *Imbalance* quantity, in-kind settlement quantity, *Retailer's* share of *Unaccounted-For Gas* and/or other adjustment quantities deemed appropriate as determined by *Apex* from time to time.
- (2) Each *Day* *Apex* will Forecast and Backcast *Retailer's* Load according to the practices specified in *Rule 028* and *Apex's* *Retailer Handbook*.
- (3) The *Retailer* will provide in kind, *Unaccounted-For Gas* each *Day* at the rate specified in *Rider H*.
- (4) *Apex* will make the *Account* available to the *Retailer* in the manner described in *Apex's* *Retailer Handbook*.

13.2 Exchange of Gas

The *Retailer* warrants it will make its *Gas* supply available in an account on *TC Energy* and *Apex* will make *Gas* available in the *Retailer's Account* by means of an exchange with said account on *TC Energy* and *Apex's Account* on the *Transmission System*, subject to the procedures described in the *Retailer Handbook*.

13.3 Daily Retailer's Account Imbalance

- (1) For each *Gas Day*, the *Tolerance Zone* applicable to each *Retailer's Account Imbalance* will be determined as specified on Schedule A.
- (2) The *Retailer* will, at all times, endeavor to maintain its daily *Account Imbalance* energy within the daily *Tolerance Zone*.
- (3) For each *Gas Day*, in the event the value of the *Retailer's Account* daily *Imbalance* energy is greater than/less than the value of the quantity specified by the positive/negative *Tolerance Zone*, the difference will be settled by *Imbalance Purchase/Sale* at the price specified on Schedule A.
- (4) The net quantity and dollars resulting from the *Imbalance Purchase* and *Imbalance Sales* transactions in Article 13.3(3), if any, will be invoiced to *Retailer* once per *Month*.

13.4 Retailer's Account Monitoring Rules

Apex will perform monitoring of the *Retailer's Account* according to the following:

- (1) Step 1
 - a) If there is no evidence of a *Nomination* in the *Retailer's Account* by

8:00 a.m. Mountain Time of the closing *Gas Day* (*Gas Day 1*), which has not been pre-authorized by *Apex*, *Apex* will attempt to contact the *Retailer* for an explanation. If the *Retailer* indicates in writing (by e-mail) it intends to balance the *Account* within the *Account Balancing* timeline specified in the *Retailer Handbook*, then *Apex* will take no further action at Step 1. For this purpose, "balance the *Account*" means the *Retailer* provided sufficient *Gas* supply for *Gas Day 1*, whereby the resulting *Account Imbalance* on *Gas Day 1* was within the *Tolerance Zone* and no *Imbalance Purchase/Sale* was triggered.

b) If at (1)(a) above:

- i) *Apex*, with reasonable effort by telephone and e-mail, is unable to contact the *Retailer* by 8:30 a.m. Mountain Time; or
- ii) the *Retailer* has indicated an inability to make *Nominations* to its *Account* for *Gas Day 1*;

then the *Retailer's Account* will be closed for the remainder of *Gas Day 1* and the rules related to *Imbalance Purchases/Sales* as stipulated in the *Retailer Distribution Service Rules* will be in effect for the *Retailer's Account* on *Gas Day 1*.

(2) Step 2

a) If there is no evidence of a *Nomination* in the *Account* by 8:00 a.m. Mountain Time of the *Gas Day* following *Gas Day 1* (*Gas Day 2*), not pre-authorized by *Apex*, *Apex* will attempt to contact the *Retailer* for an explanation. This rule will also apply to those *Retailers* who made a commitment to balance their *Account* in Step 1, but did not fulfill that commitment, even if a nomination was made for *Gas Day 1*.

b) If at (2)(a) above

- i) *Apex*, with reasonable effort by telephone and e-mail, is unable to contact the *Retailer* by 8:30 a.m. Mountain Time; or
- ii) the *Retailer* has indicated an inability to make the *Nominations* to its *Account* for *Gas Day 2*;

then the *Retailer's Account* will be closed for the remainder of *Gas Day 2* and the rules related to *Imbalance Purchases/Sales* as stipulated in these *Retailer Distribution Service Rules* will be in effect for the *Retailer's Account* on *Gas Day 2*.

Apex will also provide electronic notice to the *Retailer* indicating the *Retailer* must take action to provide gas supply to its *Account* sufficient to alleviate *Apex's* concerns by 8:30 a.m. Mountain Time of the next *Gas Day* (*Gas Day 3*), and *Apex* intends to permanently close the *Retailer's Account* during *Gas Day 3*.

(3) Step 3

If there is no evidence of a *Nomination* in the *Retailer's Account* by 8:00 a.m. Mountain Time of the current *Gas Day* (*Gas Day 3*), not pre-authorized by *Apex*, *Apex* will attempt to contact the *Retailer* for an explanation. This rule will also apply to those *Retailers* who made a commitment to balance their *Account* in Step 1, but did not fulfill that commitment, even if a *Nomination* was made for *Gas Day 1*. If there is no evidence of a *Nomination* in the *Retailer's Account* by 8:30 a.m. Mountain Time, *Apex* will provide electronic notice to the *Retailer* indicating the *Retailer's Account* is permanently closed. *Apex* will commence de-enrolment of *Sites* associated with the *Retailer's Account* during *Gas Day 3* to first take effect on *Gas Day 4*.

The rules related to *Imbalance Purchases/Sales* as stipulated in these *Retailer Distribution Service Rules* will be in effect for the *Retailer's Account*.

(4) Step 4

Apex will continue to assess *Imbalance Purchases/Sales* for the *Retailer* who has defaulted until all the *Retailer's Sites* have been de-enrolled and successfully re-enrolled with the default supply provider. When all of the defaulting *Retailer's Sites* have been successfully enrolled with the default supply provider, the termination of *Gas Distribution Service* will be complete. *Apex* will continue to apply the rules related to *Imbalance Purchases/Sales* to the *Retailer's Account* as a result of adjustments related to settlement or other matters which occur after the *Retailer's Account* has been permanently closed.

(5) Step 5

In the event of non-payment on the part of the *Retailer*, and without limiting *Apex's* rights or remedies at law or in equity, *Apex* will have the right to recover any charges to a *Retailer* by claiming against the *Retailer's* or *Agent's* prudential (as stipulated in Article 11) used to secure due performance by the *Retailer* or *Agent* of its obligation under the *Retailer Distribution Service Contract*.

(6) Step 6

In the event *Apex* is notified by the *Retailer* in writing or by e-mail, or in the event *Apex* becomes aware the *Retailer* has declared itself or has been declared to be insolvent prior to the full three (3) days of *Account* monitoring described in this Article, *Apex* will have the right to discontinue *Gas Distribution Service* with one (1) *Business Days'* notice.

13.5 Termination of Retailer Service

- (1) These *Retailer Distribution Service Rules* will continue in force until all the *Retailer's Sites* have been de-enrolled and *Final Settlement* for the *Retailer's Account* has been completed, whereupon *Apex* will terminate the *Retailer's Account*. *Apex* will continue to transact in the *Yesterday Market* based on the B1 Backcast for the *Retailer* who has defaulted until all the *Retailer's Sites* have been

de-enrolled. The rules related to *Imbalance Purchase/Sale* as stipulated in these *Retailer Distribution Service Rules* will be in effect.

- (2) Notwithstanding the provisions of Article 13.5(1) above, upon mutual agreement, the *Retailer* and *Apex* may enter into an arrangement to settle the outstanding energy amounts in the *Retailer's* terminating *Account*, including without limitation, the closing *Account Imbalance* and adjustments to the *Account* from *Gas Settlement*, in a manner different than is normally required under the provisions of these *Retailer Distribution Service Rules* and/or the *Retailer Handbook*.

13.6 Request for Additional Information

A *Retailer* may request additional settlement information above the basic service provisions specified in the *Retailer Handbook* or information previously provided by *Apex* if:

- a) the *Retailer* provides a written request to *Apex* outlining the purpose for the additional settlement information; and
- b) the additional settlement information applies only to the *Customers* of the *Retailer*.

Upon satisfaction of the above requirements, *Apex* will advise the *Retailer* in a written proposal of the type of work, time of delivery and charges necessary to provide the additional settlement information to the *Retailer*.

13.7 Liability

Apex will not be liable to any person for any damages, cost, expense, injury, loss or other liability of any kind whatsoever, or however caused, resulting directly or indirectly from its good faith performance of its responsibilities under the provisions of this Article. No express or implied warranties of any kind will apply to information or services provided by *Apex* to any person as part of such good faith performance, including without limitation implied warranties of fitness for a particular purpose.

ARTICLE 14 - TERMINATION ON DEFAULT

14.1 Events of Default

An event of default under these *Retailer Distribution Service Rules* and the *Retailer Distribution Service Contract* will occur if either *Apex* or the *Retailer* (for purposes of this provision, the *Defaulting Party*):

- a) is the subject of a bankruptcy, insolvency or similar proceeding;
- b) makes an assignment for the benefit of its creditors;
- c) applies for, seeks, consents to, or acquiesces in the appointment of a receiver, custodian, trustee, liquidator or similar official to manage all or a substantial portion of its assets;

- d) fails to pay the other party (*Non-Defaulting Party*) when payment is due, or to satisfy any other material obligation under these *Retailer Distribution Service Rules* or the *Retailer Distribution Service Contract* including, without limiting the generality of the foregoing, fulfilling the prudential requirements as set forth in Article 11 in accordance with these *Retailer Distribution Service Rules* and fails to remedy the failure or satisfy the obligation, as the case may be, within three (3) *Business Days* after the receipt of written notice of the default or breach from the *Non-Defaulting Party*.
- e) fails to balance its *Account* in accordance with Article 13.

14.2 Rights Upon Default

In an event of default, the *Non-Defaulting Party* will, subject to these *Retailer Distribution Service Rules* and any applicable regulatory requirements, be entitled to pursue any and all available legal and equitable remedies and terminate the *Retailer Distribution Service Contract*. Where the *Defaulting Party* is Apex or the *Retailer* and the *Non-Defaulting Party* elects to terminate, the *Retailer Distribution Service Contract* is terminated without any liability or responsibility whatsoever, except for obligations arising prior to the date of termination. The *Non-Defaulting Party* will provide written notice to the *Defaulting Party* advising as to the nature of any default and of its intention to terminate service under the *Retailer Distribution Service Contract* and these *Retailer Distribution Service Rules*.

14.3 Recourse to Security Upon the Retailer Default

In addition to any other rights and remedies set out in these *Retailer Distribution Service Rules*, in an event of default by the *Retailer*, other than a default in payment addressed under section 9 of *Natural Gas Billing Regulation, A.R. 185/2003*, the full amount of the *Retailer's* security determined in accordance with Article 11 of these *Retailer Distribution Service Rules* will become due and payable to Apex and Apex will be entitled to make demand or claim against the *Retailer's* security for the full amount secured. All funds received by Apex in respect of such claim will be retained by Apex and applied against the *Retailer's* obligations until such time as all of the *Retailer's* obligations have been determined and satisfied. Any balance remaining after satisfaction of the *Retailer's* obligations will be returned to the issuing party of the security for the benefit of the *Retailer*.

14.4 Termination on Default

If any one or more of the parties to the *Retailer Distribution Service Contract* fails to perform any of the covenants or obligations imposed upon it under and by virtue of the *Retailer Distribution Service Contract* (the *Defaulting Party*), then in any such event, the other party to the *Retailer Distribution Service Contract* (the *Non-Defaulting Party*) may, at its option, terminate the *Retailer Distribution Service Contract* insofar, and only insofar, as the *Retailer Distribution Service Contract* pertains to the *Defaulting Party*. To terminate the *Retailer Distribution Service Contract* pursuant to this provision, the *Non-Defaulting Party* will cause a notice in writing or e-mail to be given to the *Defaulting Party* advising as to the nature of any default and declaring it to be the intention of the *Non-Defaulting Party* to terminate the *Retailer Distribution Service Contract*.

ARTICLE 15 - IMPAIRED DELIVERIES

15.1 Impaired Deliveries

- (1) If, by reason of the causes set out in this Article, *Apex* is unable, in whole or in part, to deliver the Gas provided for in the *Retailer Distribution Service Contract*, then *Apex* will be relieved of liability for not delivering such quantities and *Apex* may curtail or discontinue deliveries of Gas under the *Retailer Distribution Service Contract* during the discontinuance and to the extent of the inability. However, *Apex* will endeavour to give reasonable notice of any curtailment or discontinuance of deliveries arising by virtue of such causes and will promptly endeavour to remedy the cause of any curtailment or discontinuance of deliveries as soon as reasonably possible.
- (2) Such notice will specify *Apex's* estimate of the duration of any such curtailment or discontinuance of deliveries under the *Retailer Distribution Service Contract*.
- (3) The causes referred to above are the necessity, in *Apex's* sole opinion, of making repairs, modifications or improvements to the *Gas Distribution System*. However, *Apex* will, when practicable, endeavour to effect such modifications or improvements, not emergency in nature, at a time and in a manner that does not unduly interfere with or interrupt deliveries of Gas.

ARTICLE 16 - LIABILITY AND INDEMNITY

16.1 Indemnity

- (1) Each party (as applicable, the Indemnitor) will indemnify and hold harmless the other party and its directors, officers, employees, agents and representatives (Indemnitee(s)) from and against any direct damages, injuries, losses and other liabilities claimed against the Indemnitee or any of them, and all related costs and expenses (including reasonable legal fees) suffered or incurred by any of them in relation to any claim, cause of action, action, suit or proceeding by a third party (Claim) which arises from damage to property or injury to or death of persons resulting from the Indemnitor's failure to perform its obligations under these *Retailer Distribution Service Rules* which failure is caused by the negligence or willful act of the Indemnitor or any of its directors, officers, employees, agents or representatives acting within the scope of their authority or employment. The indemnity under this Article will be limited to an amount in proportion to the degree to which the Indemnitor or its directors, officers, employees, agents or representatives acting within the scope of their authority or employment are at fault. For the purpose of this Article "willful act" means any act or omission which is an intentional tort or an intentional breach of any obligations under these *Retailer Distribution Service Rules*.
- (2) In the event that an Indemnitee is entitled to and desires to assert its right to indemnification from an Indemnitor under this Article such Indemnitee will give the Indemnitor prompt notice of the Claim, which will describe the Claim in reasonable detail and will indicate the estimated amount, if practicable, of the indemnifiable

loss that has been or may be sustained by the Indemnitee. The failure to promptly notify the Indemnitor hereunder will not relieve the Indemnitor of its obligations hereunder, except to the extent that the Indemnitor is actually and materially prejudiced by the failure to so notify promptly.

- (3) Subject to Article 16.1(4) hereof, if the Indemnitor delivers to the Indemnitee a written acknowledgement of its unconditional and irrevocable obligation to indemnify the Indemnitee under Article 16.1(1) in respect of:
- (a) all of the damages, injuries, losses, liabilities, costs and expenses that may be claimed against, or suffered or incurred by, the Indemnitee in respect of the Claim within 10 days following the Indemnitor's receipt of the Indemnitee's notice of such Claim and if the existence of such obligation to indemnify is made known by the Indemnitor to the third party claimant (and, if applicable, to the court or other tribunal determining the Claim), the Indemnitee will make available to the Indemnitor all information in its possession or to which it has access, other than information that has been designated as confidential by the provider of such information, which is or may be relevant to the particular Claim and the Indemnitor will be entitled, at its option, to take carriage of the defense of the Claim by its own counsel and, if it elects to do so, the Indemnitee will cooperate with the Indemnitor to the fullest reasonable extent in the defense, settlement or compromise of the Claim; or
 - (b) some, but less than all, of the damages, injuries, losses, liabilities, costs and expenses that may be claimed against, or suffered or incurred by, the Indemnitee in respect of the Claim within 10 days following the Indemnitor's receipt of the Indemnitee's notice of such Claim and if the Indemnitee is of the opinion that the Indemnitor's interests are not in conflict with its own, the Indemnitee will make available to the Indemnitor all information in its possession or to which it has access, other than information that has been designated as confidential by the provider of such information, which is or may be relevant to that portion of the Claim in respect of which the Indemnitor has an obligation to indemnify the Indemnitee and consult with the Indemnitor in respect thereof.

The Indemnitee will not make any admission of the liability regarding, or settle or compromise, that portion of the Claim in respect of which the Indemnitor has acknowledged its obligation to indemnify the Indemnitee without the written consent of the Indemnitor, which consent will not be unreasonably withheld.

- (4) The provisions of Article 16.1(1) hereof will not apply in respect of any Claim to which the Indemnitor is, or may reasonably be expected to be, a party and where the Indemnitee is asserting legal defenses in relation to the Claim that conflict with legal defenses being asserted by the Indemnitor.
- (5) Except to the extent to which either party is required to indemnify the other party (and those other persons specified in this Article 16) by the express terms of Article 16, neither party, nor its directors, officers, agents, employees, and representatives, will be liable to the other party for any damages, costs, expenses,

injuries, losses, or liabilities suffered or incurred by the other party, its directors, officers, employees, agents and representatives howsoever and whenever caused, and each party, for itself and as agent for its directors, officers, agents, employees and representatives hereby forever releases the other party, its directors, officers, agents, employees and representatives from any liability or obligation in respect thereof. For greater certainty, neither party will be limited in a claim against the other for specific performance or other equitable relief in relation thereto, or direct damages only and related costs and expenses (including reasonable legal fees), arising from a breach of these Terms and Conditions.

16.2 Consequential Loss

Notwithstanding anything to the contrary contained in these *Retailer Distribution Service Rules*, neither party will be liable to the other party, and Apex will not be liable to the *Customer* with respect to matters for which the party is acting as agent for the *Customer*, for any damage, cost, expense, injury, loss or other liability of an indirect, special or consequential nature suffered by the other party or claimed by any third party against the other party which arises due to such party's failure to perform its obligations under these *Retailer Distribution Service Rules* or for any other reason (including negligence on its part or on the part of any person for whose acts it is responsible), howsoever and whensoever caused, and whether arising in contract, negligence or other tort liability, strict liability or otherwise; and without limiting the generality of the foregoing, damage, injury or loss of an indirect or consequential nature will include loss of revenue, loss of profits, loss of production, loss of earnings, loss of contract, cost of purchased or replacement capacity and energy, cost of capital and loss of the use of any segment of the *Gas Distribution System* or property owned, operated, leased or used by the other party.

16.3 Release

Subject to Section 16.1 and 16.2, Apex, its directors, officers, agents, employees and representatives, (Apex Parties), will not be liable to the *Customer*, its directors, officers, agents, employees and representatives (Customer Parties) for any damages, costs, expenses, injuries, losses, or liabilities suffered or incurred by the Customer Parties or any of them, howsoever and whenever caused, and Customer Parties hereby forever releases each of the Apex Parties from any liability or obligation in respect thereof.

16.4 Apex Not Liable to Customer

For greater certainty, Apex shall not be liable to a *Customer* Party for any damages of any kind:

- a) caused by or arising from Apex's conduct in compliance with or in breach of, or as permitted by, these *Retailer Distribution Service Rules*, the *Natural Gas Utility Service Rules* or other agreement with a *Customer*, or any contractual, legal or regulatory requirements related to service provided to *Retailers*;
- b) caused to the *Customer* and arising from any failure of a *Retailer* to comply with these *Retailer Distribution Service Rules*, any agreement with Apex relating to *Gas Distribution Service* or for any damages caused by or arising from equipment installed or actions taken by a *Retailer*;

- c) caused by or arising from a *Retailer's* failure to perform any commitment to the *Customer*, including but not limited to the *Retailer's* obligation, including its obligation under Part 2.1 of the *Act*, to provide retail services including *Gas Distribution Service* to the *Customer*; or
- d) caused by or resulting from any acts, omissions or representations made by a *Retailer* in connection with soliciting *Customers* for *Gas Distribution Service* or performing any of the *Retailer's* functions in providing retail *Gas Services* to *Customers*.

ARTICLE 17 - FORCE MAJEURE

17.1 Effect of Force Majeure on Breach

Subject to the other provisions of this Article, if either party to the *Retailer Distribution Service Contract* fails to observe or perform any of the covenants or obligations herein imposed upon it and such failure is occasioned by, or in connection with, or in consequence of Force Majeure, as hereinafter defined, such failure will be deemed not to be in a breach of such covenants or obligations.

Retailer will not be relieved by Force Majeure as described in this Article 17 from the obligation to pay the charges set forth pursuant to this Article unless Force Majeure has been invoked by *Apex*.

17.2 Meaning of Force Majeure

For the purposes of the *Retailer Distribution Service Rules*, "Force Majeure" means any cause, other than financial, beyond the control of the party claiming suspension and the cause could not have been prevented or overcome by due diligence, including, but not limited to:

- a) acts of God, such as lightning, earthquakes, storms, floods, fires, landslides, and washouts;
- b) strikes, lockouts, or other industrial disturbances;
- c) acts of the Queen's enemy, sabotage, wars, blockades, insurrections, riots, epidemics, civil disturbances, arrests, and restraints;
- d) explosions, breakages of, or accidents to machinery or lines of pipe;
- e) hydrate obstructions of lines of pipe and equipment;
- f) temporary failures of *Gas* supply;
- g) freezing of wells or delivery facilities, well blowouts, and craterings; and
- h) the Orders of any court or governmental authority.

17.3 Exceptions to Force Majeure

- (1) Notwithstanding Article 17.2, a Decision, Direction, or Order made by the *Commission* in the normal course of it exercising its authority to establish the appropriate revenue requirement or rates of the parties to this agreement will not be considered an event of Force Majeure.
- (2) Neither party is entitled to the benefit of the provisions of Article 12.1 under any of the following circumstances:
 - a) to the extent the failure was caused by the sole negligence of the party claiming suspension;
 - b) to the extent the failure was caused by the party claiming suspension having failed to remedy the condition where it is within that party's ability, alone, to do so and to resume the performance of such covenants or obligations with reasonable dispatch;
 - c) if the failure was caused by lack of funds or with respect to the payment of any amount or amounts then due under the *Retailer Distribution Service Contract*; or
 - d) unless, as soon as possible after the happening of the occurrence relied upon or as soon as possible after determining the occurrence was in the nature of Force Majeure and would affect the claiming party's ability to observe or perform any of its covenants or obligations under the *Retailer Distribution Service Contract*, the party claiming suspension necessarily gives to the other party notice, either in writing or by electronic mail, advising that such party is unable, by reason of Force Majeure (the nature of which to be specified in the notice), to perform the particular covenants or obligations.

17.4 Notice of remedy

The party claiming relief from liability under the provisions of this Article 17 will promptly give the other party notice of the Force Majeure including full particulars thereof and will promptly give the other party notice when the Force Majeure event ceases to prevent performance pursuant to these *Retailer Distribution Service Rules*.

17.5 Obligation to Remedy

The party claiming relief from liability under the provisions of this Article 17 will promptly remedy the cause and effect of the Force Majeure insofar as it is reasonably able to do so.

17.6 Labour Disputes

Notwithstanding anything to the contrary in this Article, expressed or implied, the parties agree the settlement of strikes, lockouts and other industrial disturbances will be entirely within the discretion of the particular party involved in the labour dispute and such party

may make settlement of the labour dispute at such time and on such terms and conditions as it may deem advisable. No delay in making such settlement will deprive such party of the benefit of this Article 17.

ARTICLE 18 - DISPUTE RESOLUTION

18.1 Resolution by Apex and the Retailer

If any dispute between *Apex* and a *Retailer* arises at any time in connection with these *Retailer Distribution Service Rules*, *Apex* and the *Retailer*, acting reasonably and in good faith, will use all reasonable efforts to resolve the dispute as soon as possible in an amicable manner.

18.2 Resolution by Arbitration

If any dispute has not been resolved pursuant to Article 18.1 hereof within 30 days after notice from *Apex* or the *Retailer* to the other of its desire to have the dispute resolved, then the dispute will be resolved pursuant to Articles 18.3 to 18.11 hereof. *Apex* and the *Retailer* will abide by the terms of any award rendered by the arbitrator appointed hereunder without delay.

18.3 Arbitrators

All disputes or differences between *Apex* and a *Retailer* in connection with these *Retailer Distribution Service Rules* will be referred (unless *Apex* and the *Retailer* concur in the appointment of a single arbitrator) to a board of arbitrators consisting of one (1) arbitrator to be appointed by each of *Apex* and the *Retailer* who will, by instrument in writing, appoint a third arbitrator immediately after they are themselves appointed. Notwithstanding the foregoing, any disputed matters between *Apex* and a *Retailer* relating to an order or direction made or approved by the *AUC* or falling within the exclusive jurisdiction of the *AUC*, will be referred to the *AUC* for resolution.

18.4 Failure to Concur

Apex and a *Retailer* will be deemed to have failed to concur in the appointment of a single arbitrator if such an arbitrator will not have been appointed within fifteen (15) days after the serving by either *Apex* or the *Retailer* on the other of notice requesting it to concur in the appointment of such an arbitrator.

18.5 Refusal to Appoint an Arbitrator

If either *Apex* or the *Retailer* will neglect or refuse to appoint an arbitrator within fifteen (15) days after the other party (provided such other party has appointed its arbitrator) has served *Apex* or the *Retailer*, as the case may be, with notice to make the appointment, the party who has appointed its arbitrator will be entitled to apply, upon notice to the other party, to a Justice of the Court of Queen's Bench of Alberta to appoint an arbitrator for the party in default.

18.6 Failure to Appoint a Third Arbitrator

If the arbitrators appointed by *Apex* and the *Retailer* have not, within fifteen (15) days after their appointment or the appointment of the arbitrator last appointed, as the case may be, appointed a third arbitrator, either *Apex* or the *Retailer* will be entitled to apply upon notice to the other party to a Justice of the Court of Queen's Bench of Alberta to appoint such an arbitrator.

18.7 Technical Competence

Any arbitrator appointed under the provisions of this Article whether by concurrence of *Apex* and the *Retailer*, by either party, by the arbitrators, or by a Justice of the Court of Queen's Bench of Alberta will, in the opinion of the persons making such appointment, be possessed of such technical or other qualifications as may be reasonably necessary to enable him to properly adjudicate upon the dispute or difference.

18.8 Compensation of Arbitrators

Each party will be responsible for the costs of the arbitrator appointed by it hereunder. The costs of the third arbitrator will be divided evenly between the parties.

18.9 Application of the Arbitration Act (Alberta)

Except as herein modified, the provisions of the *Arbitration Act, R.S.A., 2000, c. A-43*, as amended from time to time, will apply to any arbitration proceeding.

18.10 Decisions Binding

A decision of the single arbitrator or the majority of the three arbitrators named or appointed will be final and binding upon each of the parties to the dispute or difference.

18.11 Continuity of Service

All performance and payments requirements under these *Retailer Distribution Service Rules* by *Apex* and the *Retailer* will continue during the dispute resolution proceedings contemplated by this Article provided, in the case of any such proceedings pertaining to amounts payable under these *Retailer Distribution Service Rules*, any payments or reimbursements required as a result of the proceedings will be effective as of a date to be determined in such proceedings and interest will be paid on those amounts by the party required to make the payment or reimbursement on the amount at the rate specified from time to time in the *Residential Tenancies Act, R.S.A. 2000, c.R.-17*, but not less than 2.5% from the date so determined until paid.

ARTICLE 19 - MISCELLANEOUS MATTERS

19.1 Retailer Distribution Service Rules Prevail

No representation or commitment inconsistent with these *Retailer Distribution Service Rules* has any effect unless approved by the *Commission*.

19.2 General Laws Apply

The *Retailer Distribution Service Rules* and the *Retailer Distribution Service Contract* are subject to all applicable present and future laws, rules, regulations and orders of any legislative body or duly instituted authority now or hereafter having jurisdiction.
