

**ENMAX POWER CORPORATION**

**DISTRIBUTION TARIFF**

**Terms and Conditions**  
Fee Schedule

Effective January 1, 2023

**This Schedule forms part of EPC's Distribution Tariff Customer Terms and Conditions and applies to all Electricity Services supplied under that Tariff.**

The fees contained in this Schedule are non-refundable and are charged in all circumstances where we have provided the service associated with the fee or the conditions for charging the fee have been met.

**1. Customer Requested Temporary De-Energization No Charge**

We do not charge a fee where a **Customer** requests temporary **De-Energization** of a **Site**.

**2. Re-Energization after Customer Requested Temporary De-Energization \$153.00 per hour**

This fee applies to a **Customer** who requests **Re-Energization** of a **Site** after a temporary **De-Energization** of that **Site**.

**3. Urgent Re-Energization \$135.00 per request**

This fee applies when a **Retailer** requests an Urgent, Priority Code 1 **Re-Energization**, including the removal or de-activation of a **Load Limiting Device**. The fee is charged to the requesting **Retailer**.

**4. Permanent De-Energization No charge**

We do not charge a fee where a **Site** is permanently **De-Energized** and our **Facilities** are permanently removed.

**5. Financial De-Energization \$54.00 per request**

This fee applies to a **De-Energization** request from the **Default Supplier** or **Regulated Rate Provider** due to non-payment of a **Customer** account. We may choose to install or activate a **Load Limiting Device** due to seasonal, safety or other reasons. This fee also applies to a request from the **Default Supplier** or **Regulated Rate Provider** to remove or de-activate a **Load Limiting Device** and fully **De-Energize** the **Site**. The fee is charged to the requesting **Default Supplier** or **Regulated Rate Provider**.

**6. Re-Energization after Financial De-Energization \$54.00 per request**

This fee applies to a **Re-Energize** request from a **Default Supplier** or **Regulated Rate Provider** for a **Site** that was fully **De-Energized** or a **Load Limiting Device** installed or activated for financial reasons. The fee is charged to the requesting **Default Supplier** or **Regulated Rate Provider**.

---

Effective January 1, 2023

**7. Delivery of Cut-Off Warning Notice** **\$54.00 per notice**

This fee applies to a request from a **Default Supplier** or **Regulated Rate Provider** to deliver a cut-off warning notice at a **Site** where either the **Site** will be cut-off for financial reasons or the **Customer** needs to be warned of impending cut-off due to vacancy. The fee is charged to the requesting **Retailer**.

**8. Extra Service Trip** **\$83.00 per trip**

This fee applies when an extra service trip to a **Site** is required, after the initial **Energyization** request failed as a result of deficiencies related to **Your Equipment**, unsafe conditions or non-compliance with codes and our **Metering Standard**. The fee is charged to the **Retailer** who enrolled the site.

**9. Meter Field In Situ Test** **\$211.00 for Self-Contained Meter**  
**\$270.00 for Instrument-type Meter**

This fee applies when we test a **Meter** at the request of a **Retailer** or **Customer**. The fee is charged only if the accuracy of the **Meter** is found to be within the limits allowed by Measurement Canada. The fee is charged to the **Retailer** that enrolled the **Site**, where applicable.

**10. Off-Cycle Meter Reading** **\$56.00 per request**

This fee is applied when a **Retailer** requests that an off-cycle **Meter** reading be performed. The fee is charged to the requesting **Retailer**.

**11. Interval Data Request - HUF Format** **\$0.00 per Site – per request**

We do not charge a fee when a **Retailer** or another **Party** authorized by the **Customer** requests **Interval Meter** data for a period of no more than 425 calendar days from date of request, limited to one annual request per **Site** by either a **Retailer** or any other **Party** authorized by the **Customer**. Additional requests made during the subsequent 12 months are considered to be a non-standard data request and are subject to an additional fee as shown below, unless we waive that fee.

**12. Cumulative Data Request, HUF Format** **\$0.00 per Site – per request**

We do not charge a fee when a **Retailer** or another **Party** authorized by the **Customer** requests cumulative **Meter** data for a period of no more than 425 calendar days from date of request, limited to one annual request per **Site** by either a **Retailer** or any other **Party** authorized by the **Customer**. Additional requests made during the subsequent 12 months are considered to be a non-standard data request and is subject to an additional fee as shown below, unless we waive that fee.

---

Effective January 1, 2023

**13. Non-Standard Interval Data Request \$126.00 per hour**

This fee is applied when a request is made for interval data that is not provided in HUF format. These requests will be billed in hourly increments, with a minimum one-hour charge.

**14. Non-standard Data Request - All Other Requests \$126.00 per hour**

This fee is applied when a request is made for non-interval data that is not provided in HUF format. These requests will be billed in hourly increments, with a minimum one-hour charge.

**15. Customer Requests - Off Hours \$323.00 per hour**

This fee applies when work is scheduled at the request of either the **Customer** or us. A **Customer** that requires work to be scheduled outside of our normal business hours (Monday to Friday, 7:00 a.m. to 4:00 p.m.) will be required to pay this fee. Off hours service calls are subject to the availability of personnel to respond to the service call.

**16. Dishonoured Payments \$23.00**

This fee applies to all dishonoured cheques or other payment dishonoured, rejected or reversed by any financial institution for any reason.

**17. Meter Upgrade \$118.00 per hour for one person/one truck (single phase)  
\$237.00 per hour for two people/one truck (multi phase)**

This fee applies for the time associated with **Meter** upgrades. The **Customer** is also responsible for the cost of materials including the **Meter**.

**18. Penalty for Late Payment 3.55% of the total current charges**

This fee applies to **Retailers** or **Customers**. A one-time penalty charge of 3.55% will be applied no less than 25 days following the payment due date indicated on the bill to total current charges outstanding.

**19. Inspection \$210.00 per hour**

This fee applies when an inspection of a **Customer's Site** is required, subject to a signed **Primary Metered Service Agreement**. The **Customer** is also responsible for the cost of remedying any deficiencies found through the inspection.
